Additional Information

The perfect equilibrium between project innovation and modern styling. Once on board, one can instantaneously identify the differences in this custom-made yacht. The finishing of its surfaces, the quality and durability of the material used, and the richness of selected textures stand out, leaving a long lasting impression to the visitors. Dominator has managed to harmoniously combine luxury and comfort with innovative design and seaworthiness, offering the ultimate yachting experience. Aboard, one will find more than ample entertainment. Each bedroom - as well as all recreational areas- are equipped with personal Bose Entertainment Systems, Hi-fi systems, Satellite TV. Internet and everything multimedia oriented can be found on-board. Ample, comfortable space, ideal lighting for every mood, and privacy for all! Aboard you will find the fastest jet ski in the market, Sea doo RXT-X 255 hp supercharged, also introducing the fastest above and below the water gadget on the market: the Cayago Sea bob 7hp. For the classic fun of water skiing and tubes, the yacht is equipped with all needed apparel to ensure fun for everyone on board, towed by a Jet powered dinghy which is also great for its capabilities. Once on board on this Dominator, you will never want to return to the norms.

Welcome on board!
