

FERRETTI 550 FT FLY BRIDGE

She offers an incredible degree of ease-of-use and adaptability for living: the salon with her double dinette, the ample helm station with its two (covered) entrances where space is harmoniously dedicated to the master stateroom, the three guest cabins and the galley. In brief, she is ideal for those who desire a yacht that is agile and compact while at the same time comfortable, practical and elegant.

As far as accommodation is concerned she offers comfortable quarters for 6 pax (plus crew) in private double cabins with ensuite Wc. Crew quarters are separate.
