

# Phoebus KAIQUE 71'

*Phoebus is the only of its kind in Greece*

*Phoebus is the only one of its kind in Greece. It took six whole years for its proud owner Zannis Koukas, sculptor and architect, a gifted man with limitless imagination, and his team of craftsmen, to transform and make the necessary conversions to an old engine sail powered vessel built in 1948, to what it is today. A unique & original work of art.*
