

OSYAN 62 (1995, Refit 2014)

A unique and life changing experience combining seamanship and holistic living, by the hand of her Captain and Crew who will provide the atmosphere for an unforgettable journey whether you sail.

Activities during the day / week include swimming, snorkeling, hiking, and visiting picturesque towns.

We can drop anchor in impressive turquoise coves tucked away on the small islands where amazing natural scenes and colors combined with the taste of traditional Greek life unfold.

She comprises 3 cabins, 1 Master Cabin, 1 VIP Cabin, and 1 Twin Cabin, all with en suite facilities, and 1 Crew Cabin.
