

Robinson R44 Clipper II

Single piston small helicopter
2 passengers/ 1 pilot

Luggage Information - Robinson R44

All bags are placed under the helicopter's seating in specific compartments

The recommended size of each bag should be 60x35x40

They must be soft bags/sac voyage and not suitcases.

Maximum number and weight is 3 soft bags of 60 kg in total.

We have enclosed above actual photos of the baggage allowed on board as well as the baggage compartment.

Please note that if passengers have more luggage than the described ones, this aircraft is not suitable.
