

Villa Leonardo - Agia Sofia

Bedrooms: 10 Sleeps: 20

Villa Leonardo is a magnificent villa, undoubtedly one of the finest available for rent in the island of Mykonos. The villa is located at the west part of the island, in an area called Agia Sofia on a hillside right above the new port of Mykonos. This is one of the most desirable locations due to its proximity to town (5 min.driving) and amazing views towards the old and new port, the ancient island of Delos, Tinos and Siros and of course the unique sunset you can enjoy from this divine property. Consisting of two levels Villa Leonardo can accommodate up to 20 guests in comfort to its 10 spacious and stylish double bedrooms. The decoration and the style of the interior is carefully cared with fine materials and elegant lines. Cycladic architecture style finds a fascinating expression in this luxurious property, with white washed areas retaining the minimal flair, so that the overall design details to be displayed at the most.

Wide terraces and lounge areas surround the property offering overlooking views to the sea and the vibrant horizon. An infinity-heated pool also in front of the villa will centralize your gatherings during your holidays!
